ARTICLE I. EXECUTIVE SUMMARY, DEFINITIONS, AND AUTHORITY

1.1. EXECUTIVE SUMMARY

Pursuant to the Continuing Appropriations Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Public Law 115-56), the Texas General Land Office (“GLO”) Community Development and Revitalization division (“CDR”) requests applications from eligible Applicants to repair, rehabilitate, construct, or reconstruct multifamily rental housing units damaged or destroyed by Hurricane Harvey in compliance with local, Federal, and State statutory requirements for grants awarded under the United States Housing and Urban Development (“HUD”) Community Development Block Grant Disaster Recovery program (“CDBG-DR”). Approximately \$250,000,000 in CDBG-DR funds are allocated for this purpose within 48 Texas counties affected by Hurricane Harvey which are eligible to receive aid under the Affordable Rental Program outlined in the *State of Texas Plan for Disaster Recovery: Hurricane Harvey – Round 1* dated April 6, 2018, and approved by HUD on June 25, 2018 (“Action Plan”). The City of Houston and Harris County are ineligible for funding through the GLO Affordable Rental Program.

The GLO will award grants directly to private owner or developer multifamily rental property beneficiaries or will award grants or subawards to other eligible entities located in the 48 Texas counties affected by Hurricane Harvey that sustained loss of or damage to rental stock as a direct result of Hurricane Harvey (“Affected Areas”). Applications will be reviewed and awards will be issued on a first-in, first-awarded basis for eligible Applications as described in this Request for Applications (“RFA”). If awarded, a minimum of 51% of the total units in each property are to be used for affordable rental housing for low- and moderate-income persons or households earning 80% or less of the Area Median Family Income (“AMFI”) for a minimum of twenty (20) years (the “Affordability Requirement”). For Scattered Site Developments, 100% of the GLO-funded units must benefit low- to moderate-income persons.

Based on a region-based needs assessment, the GLO has identified ten (10) Council of Governments regions (*see Attachment C*) in the Affected Area for the administration of CDBG-DR funds. Additionally, at least 80% of the funds spent in each region must go to the HUD-designated most impacted counties and zip codes as outlined in the Action Plan. Funds will be prioritized for each region as stated in the table in Section 4.1.9 of this RFA.

Applicants must execute **Attachment A**, *General Affirmations and Request for Applications Acceptance*, and **Attachment B**, *Federal Assurances (Construction) and Certifications*, and complete other items listed on the *Submission Checklist* in **ARTICLE VII** to be considered. Additional information about the GLO and its programs can be found at <http://www.glo.texas.gov> and www.texasrebuilds.org.

This Request for Applications will be open for response for 90 days from the posting date of July 16, 2018, or until all funds have been awarded.

1.2. DEFINITIONS

“Act” means Title I of the Housing and Community Development Act of 1974, as amended (42 U.S.C. Sec. 5301 et seq.).

“Action Plan” means the *State of Texas Plan for Disaster Recovery: Hurricane Harvey – Round 1* dated April 6, 2018, and approved by HUD on June 25, 2018

“ADA” means the Americans with Disabilities Act.

“Addendum” means a written clarification or revision to the Request for Applications issued by the General Land Office. Applicant must acknowledge receipt of any addenda in the submission of its Application.

“Affected Area” means the 48-county region eligible for funding through the Affordable Rental Program. Properties in the City of Houston and/or Harris County are ineligible for funding through this program.

“AFFH” or “Affirmatively Furthering Fair Housing” means the standard developed by the Department of Housing and Urban Development to assess whether programs implemented by grantees meet statutory obligations under the Fair Housing Act at 42 U.S.C. 3608.

“Affiliate” means any individual or entity that, directly or indirectly, is in control of, is controlled by, or is under common control with, Applicant. Applicant shall be deemed to control another entity if either possesses, directly or indirectly, the power to direct or cause the direction of the management and policies of the other entity, whether through the ownership of voting securities, membership interests, by contract, or otherwise.

“Affordable Rental Program” means the GLO multifamily housing program described in the Action Plan.

“Affordability Period” means the twenty (20) year period, commencing on the date of substantial construction completion, for which 51% of the total units in each property are to be used for affordable rental housing for low- and moderate-income persons or households earning 80% or less of the Area Median Family Income (“AMFI”).

“AMFI” means Area Median Family Income.

“Applicant” means the entity responding to this RFA.

“Application” means the Applicant’s entire response to this RFA, including all documents requested in this RFA.

“CDBG-DR” means the Community Development Block Grant Disaster Recovery Program, as authorized under Title I of the Housing and Community Development Act of 1974, as amended.

“C.F.R.” means the Code of Federal Regulations (CFR), the codification of the general and permanent rules and regulations (sometimes called administrative law) published in the Federal Register by the executive departments and agencies of the federal government of the United States.

“CMBL” means the Centralized Master Bidders List.

“GLO” means the Texas General Land Office.

“HOME” means HUD’s HOME Investment Partnerships Program.

“HUD” means the U.S. Department of Housing and Urban Development.

“HUD Minimum Property Standards” or “MPS” means the Minimum Property Standards (MPS) established in HUD Handbook 4910.1, as amended or superseded.

“LURA” means Land Use Restriction Agreement.

“MUA” means the 2018 Multifamily Uniform Application. The MUA is posted to the GLO’s texasrebuilds.org website as three separate files accompanying this RFA and must be submitted with the required documentation listed in Article VII.

“PIA” means the Public Information Act, Chapter 552 of the Texas Government Code.

“Provider” means the Applicant(s) awarded a contract under this RFA.

“RFA” means Request for Applications.

“Scattered Site Developments” means multiple non-contiguous sites all under control of a single ownership entity.

“State” means the State of Texas and any state agency; the GLO or state agency identified in this Request for Applications, its officers, employees, or authorized agents.

“Subrecipient” means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

“TAC” means Texas Administrative Code.

1.3. AUTHORITY

The GLO is authorized to make grant awards for the Affordable Rental Program pursuant to Tex. Gov’t Code Chapters 783 and 2105 in conjunction with the Housing and

Community Development Act of 1974 (“Act”) and the appurtenant federal regulations at 24 C.F.R. § 570.201(m) and 24 C.F.R. § 570.202(b)(1). Grants shall be governed in accordance with 24 C.F.R. Part 570, Community Development Block Grants, 2 C.F.R. Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and Chapter 783 of the Texas Government Code, Uniform Grant and Contract Management Act.

ARTICLE II. SCOPE OF GRANT AWARDS

2.1. GRANT AWARD AND TERM

2.1.1 Grant Funding

- a) CDBG-DR funds are made available through the U.S. Department of Housing and Urban Development (HUD). Funds made available under this RFA have been set-aside solely for the Affordable Rental Program to restore, rebuild, or replace the rental housing stock damaged or destroyed in the Affected Area.

CDBG-DR funds may be awarded for rehabilitation or reconstruction to multifamily rental developments of 8 or more contiguous units or Scattered Site Developments damaged or destroyed by Hurricane Harvey. CDBG-DR funds may also be awarded for the new construction of 8 or more contiguous units or Scattered Site Developments to replace units damaged or destroyed by Hurricane Harvey. Applications will be reviewed and awards will be issued on a first-in, first-awarded basis for eligible Applications as described in Section 2.2 and Article IV of this RFA.

- b) The total amount appropriated for the purposes outlined in Section 1.1 is \$250,000,000.00. The maximum amount to be awarded per grant award is \$25,000,000.00. The minimum amount to be awarded per grant award is \$250,000.00.
- c) The GLO will award grants directly to private owner or developer multifamily rental property beneficiaries or will award grants or subawards to other eligible entities except in instances where an Applicant receiving an award requires and requests the use of a fully amortized loan structure in order to make the award conform to the requirements of other financing for the same development.
- d) Award recipients may not proceed or allow a contractor to proceed with construction activities, including demolition, on any activity, project, or development funded by the GLO without first receiving fully executed award documents and a notice to proceed from the GLO.
- e) If applicable, third-party reports (e.g., property condition assessment and appraisal) will not be required until such time that an award is made. Applicant will then be issued a timeline to submit the required reports. Failure to submit the required reports according to the timeline provided may result in the award being canceled.

2.1.2 Grant Term

Any activity funded under this RFA will be governed by a written grant award contract that identifies the terms and conditions for the awarded funds. The contract

will not be effective until executed by all parties to the contract. Any amendments must be in writing and are subject to the requirements of local, Federal, and State statutory requirements for grants awarded under the HUD CDBG-DR program.

2.2. ELIGIBLE ACTIVITIES, REQUIREMENTS, AND RESTRICTIONS

2.2.1 Eligible Activities

Eligible activities include those permissible under Section 105(a) of the Act and the federal regulations at 24 C.F.R. Part 570 which govern the repair, rehabilitation, reconstruction, or new construction (including demolition, site clearance, and remediation) under the Affordable Rental Program in the Affected Area.

Eligible activities are prioritized as follows:

- a) Priority 1: Rehabilitation of existing multifamily rental housing developments damaged by Hurricane Harvey;
- b) Priority 2: Reconstruction of multifamily rental housing units that were destroyed by Hurricane Harvey (reconstruction is defined as complete demolition and rebuilding of a multifamily development); and
- c) Priority 3: New construction of multifamily rental housing units to replace units that were destroyed by Hurricane Harvey at another location.

Scattered Site Developments are eligible if the eight (8) or more units are under common ownership and satisfy the eligibility and threshold criteria prescribed in Section 4.1.1.3 of this RFA. Both Priority 1 activities and Priority 2 activities listed above are considered “rehabilitation” for purposes of 24 C.F.R. 570.202(b)(1).

2.2.2 Affordability Requirements

- a) HUD requires a minimum Affordability Period of not less than twenty (20) years beginning upon substantial completion of construction. The Affordability Period shall be enforced by a LURA. If the property is restricted under an existing GLO LURA throughout this period, the Applicant agrees to maintain the development for the intended purpose as outlined in both original LURA and the LURA issued pursuant to this RFA. Compliance will be monitored by the GLO. The GLO may, in its sole discretion, assign the monitoring duty to a local Housing Authority or other entity.
- b) At least 51% of the total units must benefit low- and moderate-income persons earning 80% or less of the AMFI as defined by HUD and required under Section 105(a) of the Act. For Scattered Site Developments, 100% of the GLO-funded units must benefit low- and moderate-income persons.

- c) Units designated to meet the Affordability Requirement must comply with the high HOME rents published by HUD under the HOME program at <https://www.hudexchange.info/programs/home/home-rent-limits/>. Rents must comply with the rent limit through the affordability period and compliance with the rent limit is calculated in the same manner as the HOME program.

2.2.3 Site and Development Restrictions

- a) Applicant properties must be located within the boundaries of the Affected Area and determined to have been directly damaged or destroyed by Hurricane Harvey.
- b) Housing constructed or rehabilitated with CDBG-DR funds must meet all applicable local codes, rehabilitation standards, ordinances, and zoning ordinances at the time of project completion. In the absence of a local code for new construction or rehabilitation, CDBG-DR-assisted new construction or rehabilitation must meet either The International Building Code 2012 (IBC 2012) (or later) or International Residential Code 2012 (IRC 2012) (or later) AND the HUD Minimum Property Standards (MPS) in 24 C.F.R. §.200.925 or §200.926. To avoid duplicative inspections when Federal Housing Administration (FHA) financing is involved in a CDBG-DR-assisted property, a participating jurisdiction may rely on a Minimum Property Standards (MPS) inspection performed by a qualified person. Newly constructed housing must meet one of these HUD required Green Standards: ENERGY STAR (Certified Homes or Multifamily High-Rise); LEED (New Construction, Homes, Midrise, Existing Buildings Operations and Maintenance, or Neighborhood Development); ICC-700 National Green Building Standard; or EPA Indoor AirPlus (ENERGY STAR a prerequisite). Rehabilitated housing must follow the guidelines specified in the HUD CPD Green must follow the guidelines specified in the HUD CPD Green Building Retrofit Checklist, available at <https://www.hudexchange.info/resource/3684/guidance-on-the-cpdgreen-building-checklist/>.
- c) All other CDBG-DR-funded housing activities (e.g., acquisition) must meet all applicable State and local housing quality standards and code requirements and, if there are no such standards or code requirements, the housing must meet the housing quality standards in 24 C.F.R § 982.401. When CDBG-DR funds are used for a rehabilitation development the entire unit must be brought up to the applicable property standards, pursuant to 24 C.F.R. § 92.251(a)(1). All multifamily rehabilitation developments are subject to a Uniform Physical Conditions Standards inspection, in accordance with 24 C.F.R. § 5.705. All deficiencies identified in that inspection must be corrected before final retainage is released.
- d) Properties must meet the accessibility requirements at 24 C.F.R. Part 8 (implementing regulation for Section 504 of the Rehabilitation Act of 1973 (29

U.S.C. §794)). Applicants should be advised that the accessibility standards used by the GLO with respect to 24 C.F.R. Part 8 are the 2010 ADA Standards for Accessible Design (with HUD exceptions), as approved by HUD (not the Uniform Federal Accessibility Standards (UFAS)). Multifamily housing developments must meet the design and construction requirements under 10 Tex. Admin. Code §§ 60.201-211). Covered multifamily dwellings, as defined at 24 C.F.R. § 100.201, as well as common use facilities in developments with covered dwellings must meet the design and construction requirements at 24 C.F.R. § 100.205, which implement the Fair Housing Act (42 U.S.C. 3601-3619), and the design and construction requirements of the Fair Housing Act Design Manual (http://www.huduser.gov/portal/publications/PDF/FAIR_HOUSING/fairfull.pdf). Additionally, developments involving new construction (excluding new construction of nonresidential buildings) where some units are two-stories and are sometimes exempt from Fair Housing accessibility requirements, a minimum of 20% of each unit type (i.e. one bedroom, two bedroom, three bedroom) must provide an accessible entry level and all common-use facilities in compliance with the design and construction requirements of the [Fair Housing Act Design Manual](#), and include a minimum of one bedroom and one bathroom or powder room at the entry level. A compliance certification will be required after the development is completed from an inspector, architect, or accessibility specialist. Any developments designed as single-family structures must also satisfy the requirements of Texas Government Code §2306.514. Rehabilitated housing must comply with the HUD Green Building Retrofit Checklist (<https://www.hudexchange.info/resource/3684/guidance-on-the-cpd-green-building-checklist/>). New construction must achieve certification by one of the HUD approved Green Certification Programs.

- e) Properties located in a 100-year flood plain that are being rehabilitated, or demolished and reconstructed, shall be elevated or have other acceptable flood mitigations in place in accordance with FEMA advisory flood elevations as well as those mitigations required by the local jurisdiction (if applicable). Such developments shall be subject to the requirements of 24 C.F.R. § 570.605. Properties located within the boundaries of a designated floodway are not eligible even if they are elevated above flood elevation.

2.3. ELIGIBILITY OF APPLICANTS

2.3.1 Eligible Applicants

Applicants eligible for funding under this RFA include qualified nonprofit organizations, for-profit entities, sole proprietors, public housing authorities and units of general local government.

Private owners/developers must be either the current owner of the property or, at the time of submission of its Application, have a binding contract to purchase the

property and the seller must have been the owner of record at the time of the disaster. If funds will be requested for acquisition, an “as is” appraisal will be required during the due diligence period between the date the commitment letter is issued and when the actual closing takes place.

2.3.2 Ineligible Applicants

The following violations will cause an Applicant and any Application they have submitted to be deemed ineligible:

- a) The Applicant is an administrator of a previously funded Contract for which GLO funds have been partially or fully de-obligated due to failure to meet contractual obligations during the 12 months prior to Application submission date, unless the de-obligation was voluntary and approved by the GLO prior to the contract term expiration date or the de-obligated amounts were excess funds remaining on a completed Contract;
- b) The Applicant has failed to submit a response to provide an explanation, evidence of corrective action or a payment of disallowed costs or fees as a result of a monitoring review;
- c) The Applicant has failed to make timely payment or is delinquent on any loans or fee commitments made with the GLO on the date of the Application submission;
- d) The Applicant has been or is barred, suspended, or terminated from procurement in a state or federal program or listed in the List of Parties Excluded from Federal Procurement or Non-Procurement Programs;
- e) The Applicant, at the time of Application submission, is subject to an enforcement or disciplinary action under state or federal securities law or by the Financial Industry Regulatory Authority (FINRA); subject to a federal tax lien; and/or is the subject of an enforcement proceeding with any governmental entity;
- f) The Applicant has excessive omissions of documentation from the Application submission or the threshold criteria, or the Application documentation is so unclear, disjointed, or incomplete that a thorough review cannot reasonably be performed by the GLO, as determined by the GLO;
- g) The Applicant has any open GLO or HUD audit finding or concern and has not submitted a response to satisfactorily resolve the finding or concern to the GLO in a satisfactory format on or before the Application submission date;
- h) The Applicant or a person that has Controlling ownership interest in the Applicant’s organization and is active in the ownership or control of one or more other rent restricted rental housing properties in the state of Texas

administered by an agency of the State of Texas is in material noncompliance with a LURA;

- i) Any Application that includes financial participation by a person who, during the five-year period preceding the date of the bid or award, has been convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of previous hurricanes or any other disaster occurring after September 25, 2012, or was assessed a federal civil or administrative penalty in relation to such a contract.

2.4. NO GUARANTEE OF VOLUME OR USAGE

The GLO makes no guarantee of volume or usage under any contract, grant award, or subaward resulting from this RFA.

3.3. APPLICATION RESPONSE COMPOSITION

3.3.1 General Requirements

Applicant shall complete and email the documents listed below (collectively, its Application) to harveysupport@glo.texas.gov:

- a) One Narrative Proposal, including all documents required in Part 1 of the *Submission Checklist* in **ARTICLE VII**, submitted as one Portable Document Format (.pdf) file titled “**RFA-X0015648-JC(Applicant name)_Part 1**”;
- b) One MUA, including all three documents requested in Part 2 of the *Submission Checklist*, submitted in the file formats as posted to the GLO’s texasrebuilds.org website (Microsoft Word and Microsoft Excel) and titled “**RFA-X0015648-JC(Applicant’s company name)_Part 2_MUA Part A**”; “**RFA-X0015648-JC(Applicant’s company name)_Part 2_MUA Part B**”; and “**RFA-X0015648-JC(Applicant’s company name)_Part 2_MUA Part C**”; and
- c) The three documents requested in Part 3 of the *Submission Checklist*, submitted as one Portable Document Format (.pdf) file titled “**RFA-X0015648-JC(Applicant’s company name)_Part 3**”.

Applicant shall prepare a clear and concise Application that focuses on the instructions and requirements of the Request for Applications. Applicant is responsible for all costs related to the preparation of their Application.

Any Applicant-added terms and conditions attached to an Application will not be considered unless specifically referred to in this RFA and may result in disqualification.

All Applications must be submitted with all necessary documentation, as described in this RFA and associated Application materials.

3.3.2 Application Format

Responses to each section and subsection shall be labeled clearly to indicate the item being addressed. Exceptions to this will be considered during the evaluation process.

3.3.3 Page Limit and Supporting Documentation

The Narrative Proposal and all documents required in Part 1 of the *Submission Checklist* shall not exceed 25 pages in length. **Attachment A**, **Attachment B**, the MUA, signed acknowledgments of addenda, references, and résumés are considered attachments and shall not count toward the 25-page limit. The

Applications should be formatted using 12-point or larger font, except for charts, graphs, or other graphical representations of data.

3.4. APPLICATION SUBMISSION AND DELIVERY

3.4.1 Deadline

Applications must be received at the email address in Section 3.4.3 no later than as specified in Section 3.1. Applicant may submit its Application any time prior to that deadline. For all Applications, determinations of timeliness will be made based solely on the “Sent” time stamp; any other documentation of timely submission WILL NOT be accepted.

Responses received by the first or second Priority Submission Deadline shall be evaluated first in accordance with the schedule in Section 3.1. If all of the funding is not awarded to responses received by the first or second Priority Submission Deadline, the GLO will consider responses received by the Final Submission Deadline.

3.4.2 Labeling

Each Application email submission shall include Applicant’s company name and the title of the document in the email subject line, e.g., “**Applicant Name: Application under RFA No. X0015648-JC.**”

3.4.3 Delivery

Applicants must email Applications to the following address:

harveysupport@glo.texas.gov

The GLO shall not accept Applications submitted by any other means.

3.4.4 Withdrawals

Applications may be withdrawn by emailing the address listed in Section 3.4.3 above, provided such notice is received prior to each respective deadline for submission of Applications stated in Section 3.1 of this RFA.

 - d) Provide a third-party verified scope of work or property condition assessment in accordance with 10 Tex. Admin. Code §10.306 (provided after award).
 - e) For all Applications, provide evidence for one of the following:
 - i) If no insurance claim was filed specific to damages from Hurricane Harvey, Applicant must submit third party documentation from a verifiable source, acceptable to the GLO, establishing the amount of damage incurred as a direct result of Hurricane Harvey. Such damage must have caused one or more units to no longer be habitable. The amount of the deductible must be confirmed and there must be confirmation that no claim was filed because the amount to be claimed would not have met the deductible; or

- ii) If an insurance claim was filed and the settlement amount was less than the amount requested, Applicant must provide written justification that warrants the amount of funds requested excluding what would be required under Section 2.2.3 of the RFA, Site and Development Restrictions.
- f) Rehabilitation may include the replacement of damaged or no longer functional appliances. Appliances must be permanently installed and replaced with Energy-Star or equivalently rated appliances (refrigerator, dishwasher, ceiling fans and lighting).

Applications not meeting the minimum qualifications listed in this Section 4.1.1 will be notified of any administrative deficiencies; in each event, the Applicant will be given an opportunity to correct such deficiencies. Applicants not meeting minimum qualifications after receipt and review of the administrative deficiency response will be disqualified and the Applicant will be provided a written notice to that effect.

4.1.2 Administrative Deficiencies

If an Application contains any administrative deficiencies which, in the determination of GLO staff, require clarification or correction of information submitted at the time of the submission, the GLO staff may request clarification or correction of such administrative deficiencies. Because the reviews for prior development experience, eligibility, threshold criteria, and financial feasibility may occur separately, administrative deficiency requests may be made several times. GLO staff will request clarification or correction in a deficiency notice in the form of an email to the Applicant and one other party identified by the Applicant in the Application advising that such a request has been transmitted. If administrative deficiencies are not clarified or corrected to the satisfaction of the GLO by 5:00 p.m. on the third business day following the date of the deficiency notice, then the Application will be considered incomplete. If an Application is considered incomplete because administrative deficiencies are not adequately clarified or corrected by the Applicant, the Application will be penalized a day in submission for each full business day clarifications or corrections are not provided. The time period for responding to a deficiency notice begins at the start of the business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the submission period.

4.1.3 Financial Evaluation

A Notice of Award issued pursuant to this RFA will be contingent on financial feasibility. Following issuance of a Notice of Award to an Applicant, the GLO shall underwrite the Application to determine the financial feasibility and amount of requested funds needed for the development to arrive at an appropriate level of CDBG-DR funds. In determining an appropriate level of CDBG-DR funds, the

GLO shall, at a minimum, evaluate the estimated cost of repairs needed by the development based on insurance estimates from the development owner's insurer, and if applicable verifiable estimates from reputable contractors. The GLO shall evaluate acceptable cost parameters as evidenced in the third-party verified scope of work or property condition assessment. Underwriting of a development will include a determination by the GLO that the amount of CDBG-DR funds recommended for commitment to a development is necessary for the financial feasibility of the development and its viability as a qualified rent restricted housing property. Except in response to a direct request from the GLO to remedy an administrative deficiency as authorized in Section 4.1.2, above, an Applicant may not change or supplement any part of an Application in any manner after the filing deadline, and may not increase the requested funding amount or revise the unit mix (both income levels and bedroom mixes).

The GLO may decline to consider any Application if the proposed activities do not, in the GLO's sole determination, represent a prudent use of CDBG-DR funds. The GLO is not obligated to proceed with any action pertaining to any Applications which are received and may decide it is in the GLO's best interest to refrain from pursuing any selection process. The GLO reserves the right to negotiate individual elements of any Application.

4.1.4 Site Evaluation

Site conditions shall be evaluated through a physical site inspection by the GLO or a third party designated by the GLO. Such inspection will evaluate the development site based upon the criteria set forth in the Site Evaluation form provided in the Application and the inspector shall provide a written report of such site evaluation. "Unacceptable" sites include, without limitation, those containing an immitigable environmental factor that may adversely affect the health and safety of the residents.

4.1.5 Environmental Review

Applications will be subject to an environmental review as prescribed in 24 C.F.R. Parts 50 and 58. However, the environmental review must be completed prior to any choice limiting activity with regards to the property.

4.1.6 Qualification Criteria

In addition to the evaluation criteria outlined in Sections 4.1.1-4.1.5, Applications for rehabilitation and reconstruction will be required to satisfy at least one of the following and Applications for new construction will be required to satisfy at least two of the following:

- 4.1.6.1 High Opportunity Zones – Development is located entirely in a census tract that has a poverty rate of less than 20%.

- 4.1.6.2 Extremely Low-Income Targeting – Development provides at least 10% of units to families or individuals with income at 30% or less of the area medium income.
- 4.1.6.3 Exceeding the LMI Requirement – Development designates at least 70% of the units to serve low- to moderate-income families earning 80 percent or less of AMFI, as defined by HUD for the applicable affordability period.
- 4.1.6.4 Serving Persons with Disabilities – Development increases the number of accessible units beyond the minimum required by Section 504 of the Rehabilitation Act of 1973, the Fair Housing Accessibility Guidelines, or other mandated minimums by an additional 10%.
- 4.1.6.5 Leveraging of Public and Private Financing – Development receives a total contribution of funding from other local, state, federal, or private contributions of at least 25% of the Total Housing Development Costs (as reflected in the CDBG Rental Housing Development Budget & Disbursement Plan in MUA Part B).

4.1.7 Prioritization for Construction Types and Regions

The Application acceptance period for this RFA shall extend for a total of 90 days from the opening date. The GLO shall prioritize rehabilitation Applications for the initial 30 days of the period (July 23 – August 22, 2018), allow reconstruction and additional rehabilitation Applications to be entered for consideration during the 30 days immediately following that period (August 23 – September 21, 2018), and allow for new construction Applications to be entered for consideration during the final 30 days of the period (September 22 – October 22, 2018).

Eligible Applications will be prioritized based on date of submission. If remaining funding is not sufficient to fund all eligible Applications submitted on a specific date, prioritization will be based on the number of items selected under Section 4.1.6, Qualification Criteria, followed by the lowest CDBG-DR funds requested per unit repaired, reconstructed, or newly constructed within the relevant construction type.

Example: If there are insufficient funds available to fund all eligible reconstruction Applications received within the applicable time period, prioritization will be given to the reconstruction Application with highest number of selected Qualification Criteria (1-5). If necessary, prioritization will be given to the Application with the lowest CDBG-DR funds requested per unit reconstructed.

Based on a region based needs assessment, the GLO has identified ten (10) regions (*see Attachment C*) in the Affected Area for the administration of these funds.

Additionally, at least 80% of the funds spent in each region must go to the HUD-designated most impacted counties and zip codes as outlined in the Action Plan. Funds will be prioritized for each region as follows:

Region	Sum of \$ Allocation Amount Using The 50-40-10 Model Without Imposed Distributional Constraints
AACOG	\$ 2,290,367.75
BVCOG	\$ 2,494,538.81
CAPCOG	\$ 8,942,865.85
CBCOG	\$ 42,196,325.14
CTCOG	\$ 500,000.00
DETCOG	\$ 30,000,814.75
GCRPC	\$ 18,612,232.81
H-GAC E	\$ 48,777,923.44
H-GAC W	\$ 35,137,608.62
SETRPC	\$ 61,047,322.83
TOTAL	\$ 250,000,000.00

In total, funding shall be available to Applicants for a total of 90 days subject to the specific acceptance constraints listed above. 20% of the funds within each region will be available to Applicants not within the HUD-most impacted counties and zip codes; however, if these funds remain after the conclusion of the 90-day period, these funds will be utilized for any eligible Applicants within the HUD-most impacted counties and regions. If funds within a specific region remain after the conclusion of the 90-day period, those funds shall be swept into a larger pool and distributed to eligible developments across all regions using the same prioritization process outlined in this section.

4.1.8 Performance Tracking System

The GLO will review the Texas Comptroller of Public Accounts Vendor Performance Tracking System to verify Applicant performance on other State contracts, if available. The evaluation committee may utilize this information to:

- a) Identify Applicants that have exceptional performance.
- b) Aid purchasers in making a best value determination based on Applicant past performance.
- c) Protect the state from Applicants with unethical business practices.

NOTE: To clarify any response, the evaluation committee may contact references provided in the Application, contact Applicant’s clients, or solicit information from any available source concerning any aspect of the RFA deemed pertinent to the evaluation process.

4.2. AWARDS

It is the intent of the GLO to award multiple grants or subawards under this RFA. An award notice will be sent to the selected Applicants. Any award is contingent upon the successful negotiation of final contract terms and upon approval of the Chief Clerk of the GLO. Negotiations shall be confidential and not subject to disclosure to competing Applicants unless and until an agreement is reached. If grant award contract negotiations cannot be concluded successfully, the GLO, upon written notice the unsuccessful Applicant(s), may negotiate a contract with the next prioritized Applicant or may withdraw this RFA.

NOTE: Applications are subject to the Texas Public Information Act, Chapter 552 of the Texas Government Code, and will be withheld from or released to the public only in accordance therewith.

ARTICLE V. REQUIRED APPLICANT INFORMATION

5.1. NARRATIVE PROPOSAL

In addition to the one (1) page Statement of Minimum Qualifications required under Section 4.1.1 of this RFA, Applicant must provide satisfactory evidence of its ability to manage and coordinate the types of activities described in this RFA and to produce the specified products or services on time. In accordance with this requirement, Applicant shall provide the following information:

5.1.1 Project Narrative

Provide a brief narrative explaining the proposed project, the damages incurred from Hurricane Harvey, and the highlights of the multi-family complex.

5.1.2 Company Narrative

Provide a detailed narrative explaining why Applicant is qualified to provide the services enumerated in Article II, focusing on its company's key strengths and competitive advantages.

5.1.3 Company Profile

Provide a company profile to include:

- a) The company ownership structure (e.g., corporation, partnership, LLC, sole proprietorship, etc.), including any wholly-owned subsidiaries, affiliated companies, or joint ventures. (*Please provide this information in a narrative and as a graphical representation*). If Applicant is an Affiliate of, or has a joint venture or strategic alliance with, another company, please identify the percentage of ownership and the percentage of the parent's ownership. Finally, please provide your proposed operating structure for the services requested under this RFA and which entities (i.e. parent company, Affiliate, Joint Venture, subcontractor) will be performing them;
- b) The year the company was founded and/or legally organized. If organized as a business entity other than a sole proprietorship (e.g., corporation, LLC, LLP, etc.), please indicate the type of entity, the state under whose laws the company is organized and the date of organization;
- c) The location of your company headquarters and any field office(s) that may provide services for any resulting contract under this Request for Applications, including subcontractors;

- d) The number of employees in your company, both locally and nationally, and the location(s) from which employees may be assigned, excluding subcontractors;
- e) The name, title, mailing address, e-mail address, and telephone number of Applicant's point of contact for any resulting grant or subaward under this RFA; and
- f) Indicate whether your company has ever been engaged under a contract by any Texas state agency. If "Yes," specify when, for what duties, and for which agency.

NOTE: A Respondent that is not organized under the laws of the state of Texas must register with the Texas Secretary of State before it may transact business in Texas. Respondent must provide proof of registration before the GLO may award a contract under this Solicitation.

5.1.4 Key Staffing Profile

Applicant must provide a key staffing profile and résumés for staff that will be responsible for the performance of the activities requested under this RFA.

5.2. REFERENCES

Applicant shall provide a minimum of three **non-GLO** references for projects of similar type and size performed within the last three years, preferably for state and/or local government entities. The GLO reserves the right to check references prior to award. Any negative responses received may be grounds for disqualification of the proposal.

Applicant must verify current contacts. Information provided shall include:

- a) Client name;
- b) Project description;
- c) Total dollar amount of project;
- d) Key staff assigned to the referenced project that will be designated for work under this RFA; and
- e) Client project manager name, telephone number, and e-mail address.

The GLO checks references by e-mail. Applicants who do not provide accurate e-mail addresses waive the right to have those references considered in the evaluation of their Applications.

5.3. LITIGATION HISTORY

Applicant must include in its Application a complete disclosure of any actual or alleged breaches of contract it has engaged in. In addition, Applicant must disclose any civil or

criminal litigation or investigation pending at any time during the last three years that involves Applicant or in which Applicant has been judged guilty or liable. For each instance of litigation or investigation, Applicant shall list: basic case information (e.g., cause number/case number, venue information, names of parties, name of investigating entity); a description of claims alleged by or against Applicant or its parent, subsidiary, or other affiliate; for each resolved case, a description of the disposition of Applicant's involvement (e.g., settled, dismissed, judgment entered, etc.).

Failure to comply with the terms of this provision may disqualify any Applicant. Applications may be rejected based upon Applicant's prior history with the state of Texas or with any other party that demonstrates, without limitation, unsatisfactory performance, adversarial or contentious demeanor, or significant failure(s) to meet contractual obligations.

If Applicant has no litigation history, as described above, Applicant shall so indicate in its Narrative Proposal.

5.4. HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

The GLO is committed to promoting full and equal business opportunities for businesses in state contracting in accordance with the goals specified in the State of Texas Disparity Study. The GLO encourages the use of Historically Underutilized Businesses (HUBs) through race, ethnic and gender-neutral means. Pursuant to Texas Government Code §2161.181 and §2161.182, and the GLO's HUB policy and rules, the GLO makes a good-faith effort to increase HUB participation in its contracts. The GLO does this by contracting directly with HUBs or indirectly through subcontracting.

5.5. CONFLICTS

Applicant must disclose any potential conflict of interest it may have in providing the services described in this Request for Applications, including all existing or prior arrangements. Please include any activities of affiliated or parent organizations and individuals who may be assigned to manage this account. If Applicant has no conflicts, as described above, Applicant shall so indicate in its Narrative Proposal.

5.6. ANNUAL REPORT

If Applicant is an entity that is required to prepare audited financial statements, Applicant shall submit an annual report with its Application that includes:

- a) Last two (2) years of audited accrual-basis financial statements, including an income statement, cash flow statement, and balance sheet;
- b) If applicable, last two (2) years of consolidated statements for any holding companies or affiliates;
- c) An audited or un-audited accrual-basis financial statement of the most recent quarter of operation; and

- d) A full disclosure of any events, liabilities, or contingent liabilities that could affect Applicant's financial ability to perform this contract.

If Applicant is a privately-owned entity or sole proprietorship for which audited financial statements are not required, Applicant shall submit an annual report with its Application that includes:

- a) Last two (2) years of un-audited accrual-basis financial statements, including an income statement, cash flow statement, and balance sheet;
- b) An audited or un-audited accrual-basis financial statement of the most recent quarter of operation; and
- c) A full disclosure of any events, liabilities, or contingent liabilities that could affect Applicant's financial ability to perform this contract;

OR

- d) Other financial information sufficient for the GLO, in its sole judgement, to determine if Applicant is financially solvent and adequately capitalized.

Applicant shall also complete and submit the Financial Statement, posted to the GLO's texasrebuilds.org website as Part C of the 2018 Multifamily Uniform Application.

ARTICLE VI. TERMS, CONDITIONS, AND EXCEPTIONS

6.1. GENERAL CONDITIONS

6.1.1 Amendment

The GLO reserves the right to alter, amend, or modify any provision of this Request for Applications, or to withdraw this Request for Applications, at any time prior to the award, if it is in the best interest of the GLO.

6.1.2 Informalities

The GLO reserves the right to waive minor informalities and irregularities in any Application received.

6.1.3 Rejection

The GLO reserves the right to reject any or all Application(s) received prior to contract award.

6.1.4 Irregularities

Any irregularities or lack of clarity in this RFA should be brought to the attention of the GLO via email at harveysupport@glo.texas.gov as soon as possible so that corrective addenda may be published.

6.1.5 Open Records

The GLO is a government agency subject to the Texas Public Information Act (PIA), Chapter 552, Texas Government Code. The Application and other information submitted to the GLO by the Applicant are subject to release as public information. The Application and other submitted information shall be presumed to be subject to disclosure unless a specific exception to disclosure under the PIA applies. **If it is necessary for the Applicant to include proprietary or otherwise confidential information in its Application or other submitted information, the Applicant must clearly label that proprietary or confidential information and identify the specific exception to disclosure of that information in the PIA.** Merely making a blanket claim that the entire Application is protected from disclosure because it contains some proprietary information is not acceptable, and shall make the entire Application subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Application the Applicant considers proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA, except as provided by law.

Applicants are required to make any information created or exchanged with the State pursuant to this RFA and any contract that may result from this RFA, and not otherwise excepted from disclosure under the PIA, available in a format that is accessible by the public at no additional charge to the state.

Information related to the performance of a grant award contract may be subject to the PIA and will be withheld from public disclosure or released only in accordance therewith. Applicants shall make any information created or exchanged with the state/GLO, and not otherwise excepted from disclosure under the PIA, available in a format that is accessible by the public at no additional charge to the state/GLO. Applicant shall make any information required under the PIA available to the GLO in Portable Document Format (.pdf) or any other format agreed between the parties. The original copy of each Application shall be retained in the official files of the agency as a public record.

Pursuant to Texas Government Code Chapter 2261, any grant award contract that results from this Request for Applications, including selected Applicant's Application, shall be posted to the GLO's website.

6.1.6 Grant Award Responsibility

Applicant shall be solely responsible for the performance of all contractual obligations that may result from a grant award or subaward based on this RFA. Applicant shall not be relieved of its obligations for any nonperformance by its contractors or subcontractors.

6.1.7 Public Disclosure

Applicant will not advertise that it is doing business with the GLO or use a grant award contract resulting from this Request for Applications as a marketing or sales tool without prior written consent of the GLO.

6.1.8 Remedies

All remedies available to the GLO for breach or anticipatory breach of any grant award contract or Subrecipient agreement that results from this Request for Applications are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, and/or injunctive relief may also be invoked either separately or combined with any other remedy in accordance with applicable law.

6.2. **INSURANCE**

6.2.1 Required Coverages

For the duration of any contract resulting from this Request for Applications, Contractor shall carry insurance in customarily carried, industry standard types and amounts. The required coverage is to be written with companies licensed in the State of Texas, with an “A” rating from A.M. Best, and authorized to provide the corresponding coverage.

Work on any contract shall not begin until after Applicant has submitted acceptable evidence of insurance. Failure to maintain insurance coverage or acceptable alternative methods of insurance shall be deemed a breach of contract.

6.2.2 Alternative Insurability

Notwithstanding the preceding, the GLO reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies customarily required. It will be Applicant’s responsibility to recommend to the GLO alternative methods of insuring the contract. Any alternatives proposed by Applicant should be accompanied by a detailed explanation regarding Applicant’s inability to obtain the required insurance and/or bonds. The GLO shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

6.3. PERFORMANCE AND PAYMENT BONDS

Prior to commencing any activity under a grant award contract, Applicant is required to tender to the GLO performance and payment bonds, as required by Chapter 2253, Texas Government Code. Bonds shall be provided by Applicant or Applicant’s prime contractor.

6.3.1 Performance Bond

A Performance Bond is required if the grant award or subaward amount is in excess of one hundred thousand dollars (\$100,000.00). The Performance Bond is solely for the protection of the State, in the full amount of the grant award or subaward, and conditioned on the faithful performance of work based on the scope of the grant award contract. The form of the Performance Bond shall be as approved by the Texas Attorney General.

6.3.2 Payment Bond

A Payment Bond is required if the grant award or subaward is in excess of twenty-five thousand dollars (\$25,000.000). The payment bond is for the protection of the State and payment bond beneficiaries that have a direct contractual relationship with the Applicant or Applicant’s prime contractor or a supplier of materials and labor. The form of the Payment Bond shall be as approved by the Texas Attorney General.

6.4. REQUEST FOR APPLICATIONS ACCEPTANCE

Execution of **Attachment A** of this RFA, *General Affirmations and Request for Applications Acceptance*, shall constitute an agreement to all terms and conditions specified in this RFA, including, but not limited to, **Attachment B**, *Federal Assurances (Construction) and Certifications*, and terms and conditions from any contract resulting from this RFA.

6.5. PERFORMANCE REPORTING

The GLO is required by Texas Government Code Chapter 2261 to report grant award contract performance through the Vendor Performance Tracking System (“VPTS”). Additional information on this system can be found on the Texas Comptroller of Public Accounts website through this link:

<https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>.

As of January 24, 2017, the VPTS reporting methodology was revised so that recipients of state funds are assigned a letter grade (A-F) rather than the historic satisfactory/unsatisfactory ratings. The report grades for historic reports will be displayed as “Legacy Satisfactory” or “Legacy Unsatisfactory.” New reports will be graded on the A-F scale as now required by statute. An Applicant’s past performance shall be measured in the VPTS by a letter grade that combines any historic ratings with ratings using the new letter grade system in the method described in [34 TAC §20.115](#).

The GLO is authorized to consider past performance when determining grant awards. The GLO may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the VPTS, the GLO may examine other sources of Applicant performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of the GLO, and any negative findings, as determined by the GLO, may result in non-award to the Applicant.

6.6. CERTIFICATE OF INTERESTED PARTIES

The GLO shall not enter into a grant award contract with a business entity unless the business entity submits a disclosure of interested parties (Form 1295 Certificate of Interested Parties – “Form 1295”) to the state agency at the time of contracting.

To complete Form 1295, a business entity will visit the Texas Ethics Commission’s website and access the Form 1295 Certificate of Interested Parties Electronic Filing Application. An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct. Form 1295, bearing the unique certification of filing number, must be filed with the Texas General Land Office. Form 1295 is not required at the time of submission of the Application; the GLO shall request the form concurrent with issuance of a notice of contract award.

Additional information about Form 1295, including frequently asked questions and instructional videos for business entities, may be found on the Texas Ethics Commission's website: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.
